THE TOWN RECORD

By MONTE DAYTON

What's in a No.?

MARGARET HASLETT is suing DC for 5000 smackers, claiming various injuries from a fall to the pavement.

It happened Nov. 26 when she was boarding the No. 26 bus and she gives about 26 reasons why the city was at fault.

Whatta life: Ten drivers for the Motorama, who trucked the glamour autos from back east for the big motor show, wait out their return at the Mission Bell motel in Daly City.

Once they make delivery on the fancy cars, they're through until the show moves on, and we understand they're really whooping it up in their long layover.

In Westlake, the Cub Pack softball team there looks promising. There's a PINELLI and a BOUDREAU in the lineup.

Quick change: RAY OTTOBONI says this week he will take the Colma mayoralty post, contrary to a statement attributed to him in this column last week.

There's only one small formality holding up the move.

They have to vote him into office first.

But he's unopposed so it appears to be a sure thing.

A lot of local Boulder Creek fans decided to stay away from the big St. Patrick's day shenanigans in the mountain city because it was raining cats and dogs.

Funny part of it was, the minute the big parade started in Boulder, the rain stopped. The parade and doings lasted approximately two hours, at the end of which it started raining again.

Mac's place (focal point of the native's roistering) served up 390 pounds of corned beef and cabbage, which aint bad for a rainy day.

his [illegible]f officer is one of the high poin[illegible] of the pictures. As Guinness instructs him in the fine art of bringing a ship (or a woman) safely into a quiet harbor with the master's steady hand always at the helm, his superb confidence in his ability to keep two women happy should become a classic of screen comedy.

Considerably before the Captain recognizes the essential flaw in his otherwise perfect scheme for married bliss, the audience becomes aware that there is potential trouble in paradise. It is therefore prepared, as the Captain is not, to learn that he is not only "a silly old man" but "a colossal, stupendous bore" to boot.

To ask that an audience follow Guinness' careful building of his characterization, facet by facet; to ask that it watch him as he is brought face to face with himself, and then to ask that it accept the contrived "shock" ending is asking the impossible, and it is here that the film falls just short of being the masterpiece it should have been. If something were to happen to the last few feet of the film, it would be a most fortunate accident.

The short immediately after the film was a Pete Smith Specialty something about "Things We Could Do Without," and, brother, [illegible] Smith named Pete is one of them

School League Lists Trustee Candidates

After considerable discussion and a vote of all those present, the newly-formed League for Better Schools Wednesday night sifted the list of qualified Jefferson Elementary School district board of trustee candidates down to eight.

Originally there were a total of 23 candidates submitted to the league as qualified to take over school board posts.

In screening the number down to eight; the League took into consideration nine important qualifications that a school trustee should have.

Those selected haven't necessarily indicated they plan to run for one of three trustee positions to be voted on May 21. However, a special meeting will be held Monday night at the home of Mrs. Thomas Mullen, 704 Stoneyford drive, at which time the eight potential candidates will discuss whether or not they plan to run. Deadline for filing is April 21.

Those named as qualified candidates Monday were: Roy Arneson, 44, service station owner; Harold C. Brown, 39, radio engineer; Guido De Chetaldi, 40, SFS instructor; Francis Gates, 45, CPA; Robert Hunter, 32, CPA; Dr. C. Henry Kempe, 32, professor at UC; Henry Kraus, 37, Zellerbach Paper Co. executive; and Mrs. Katherine R. Mullen, 37, housewife.

Others named earlier as possible potential candidates were: Jack R. Baker, Merritt T. Beckermann, Arthur Bodien, Richard Buhman, Eugene Crique, D. L. Dilbeck, Mrs. Frances Diltz, D. C. Gensel, Richard Gros-de-mange, Joseph Lewkowitz, Reginald H. Lowry, Cecil Mitchell, Walter Rector, Thomas J. Walter and Samuel B. Ziegler.

JEFF STUDENT WINNER IN REGION SPEAKING

Vying against two other zone winners, Pete Jensen, 17-year-old Jefferson High school senior, won the region division of the Lions club speaking contest Wednesday at the San Mateo Lions club meeting.

Miss Eunice Seaton
. . . Pupil a Winner

The previous week Jensen won the zone contest held in South San Francisco.

Topic for the Lions club speaking contest, which is being held throughout the California- Nevada area, is "What the Constitution Means to Me."

Jensen won against Virginia Crocker of Capuchino High school and James Orem of Menlo-Atherton.

Next competition for Jensen will be at the district (4-B) convention at Hoberg's May 1, where he will meet eight other region winners.

Advising Jensen in his speaking campaign is Miss Eunice Seaton, public speaking instructor at Jefferson High.

If Jensen wins in the district contest, he will then go to the area competition, followed by the finals for California-Nevada. Winner of the overall competition will receive a $1500 award.

Jensen is the son of Mr. and Mrs. Milt Jensen of Brisbane.

LOCAL AUTO DEALER IS BURGLARIZED AGAIN

For the second time in nine days the Carl Haas Buick Co., 7046 Mission street, was broken into over the weekend, with burglars lifting some $250 worth of equipment.

The culprits used the same entry that was used the previous weekend, when $1700 in sanding, welding and finishing tools were taken.

A plywood board covering the window frame in the paint shop at the rear of the building was removed, as it was in the burglary a week earlier.

Daly City police said the building was entered sometime between 4 p.m. Saturday and 4 p.m. Sunday.

Inspector Dave Johnstone said the method of operation was identical with that of the Haas breakin the week before.

WIDOWS AND ORPHANS BALL IS ANNOUNCED BY LOCAL FIREMEN

With Del Courtney, popular orchestra leader and TV personality, as master of ceremonies, the Daly City fire department this week laid plans for the "biggest ever" Widows and Orphans ball to be held May 15.

The event will mark the 21st year that the firemen have presented the annual function to raise funds for widows and orphans of firemen.

The ball will be held at the Daly City community center from 8 p.m. to 1 a.m., and the firemen expect an attendance of well over 1000. Last year approximately 1000 persons turned out for the annual event and $2500 was realized for the widows and orphans fund.

Tickets will go on sale soon at a price of $1 per person.

Volunteer firemen will sell the tickets in a door to door campaign, but the ducats will also be available at Firehouse No. 2, 499 Santa Barbara avenue.

Besides the evening of dancing and refreshments, publicity chairman Frank Specht reports that there will be an hour and a half of continuous "top notch" entertainment.

BLUM TO CONFER ON ZONING ISSUE FRIDAY

The Westlake woman charged last week with operating a boarding house at 277 Wilshire drive was scheduled to confer with City Attorney Frank Blum today (Friday) at 2 p.m.

Blum said no legal action has been taken as yet, and that today's meeting would be merely for the purpose of informing the woman, Sally Hink, of subdivision laws existing in this area.

The city attorney said last week that the woman was operating a boarding house at her Westlake home, in violation of city zoning law which designate the area as R-1 (single dwellings).

The lady, however, has denied that her home was being used as a boarding house, claiming that only four boarders are living at her home. "I understood that it was within the law to have five boarders as long as the home is operated as a family residence."

City Purchases 500 Folding Chairs For Community Center

A total of 500 folding chairs for use at the community center were to be delivered today, city administrator Dan Andersen announced.

Andersen said he purchased the chairs Tuesday from the Clarin company of San Francisco.

Total cost of the chairs is $2650.

Andersen said that with an increasing number of activities being held at the center, the chairs were a necessity.

The city budget for 1954-55 will call for collapsible bleachers with a capacity of 400 to be installed at the center gymnasium.

The city also contemplates purchases of more of the folding chairs, Andersen said. Eventual seating capacity of the center is expected to be near 1000, he added.

SET COMPLETION DATE FOR SCHOOL BUILDING

Assurance that the Colma school will be completed by June 1 was given the Jefferson Elementary school district board of trustees Thursday by representatives of the company holding performance bonds on the project.

Finishing of the school has been delayed nearly six months past completion date. A. F. Stewart is contractor for the job.

Harrison Williams, contractor-expediter from the bonding company, outlined for the board some of the problems he will face in completing the project and told how he proposes to meet them.

Thomas E. Davis, attorney for the United Pacific Insurance company, bond holders, said that Williams has full authority to proceed and that the bonding company is anxious to complete the project.

In other action Thursday, the board:

1. Signed prints of plans to improve the lower terrace of the Westlake school site. The plans call for blacktop paving between the multi-purpose and the slope and seeding of the remainder. Bids for the project will be opened at the next regular meeting on April 22.

2. Considered offer of Atlas Heating company for remodeling the heating system at the Gen. Pershing school.

3. Heard a communication from the state department of finance pointing out that the school district is paying $89,000, annually from the average daily attendance state allowance. These funds are withheld as payments on the funds advanced as a loan for school building construction.

4. Reviewed 22 recommendations for cutting school building costs, issued by the school economy forum. According to the board almost all the recommendations are in effect in the district.

5. Approved a proposal to purchase school desks itemized in the budget for the current year.

6. Declared a holiday for an in-service workshop to be held on April 9. The teaching staff will "go to school" for the day while the pupils will be excused.

7. Heard an offer of Grant Holman and Roy Krueger, representing the Broadmoor Property Owners' association, to seed the Garden Village playfield. The school district will pay the cost of seed and will attempt to obtain war surplus pipe for sprinkling outlets. The board accepted the property owners' offer.

8. Referred a tentative policy on chest x-rays for all employees in direct contact with children to the Classroom Teachers' association for study.

9. Granted leaves of absence to Ada Jastrumske, custodian, and Hortense Sundman, teacher. The latter will spend the next school term doing advanced study.

10. Gave permission for Dennis Huajardo, Elizabeth Kennedy and Joyce Tolle to attend professional conferences in April.

11. Read letter of resignation from Peggy Stumpp, teacher at Crocker school, who has been ill since December. Dorothy Chase was hired as a first grade teacher for the forthcoming school term.

12. Read a letter of appreciation from Elio Fontana for cooperation in the Lions Youth Art Show and a letter from Ruth Mayor thanking the district for cooperation received in staging the Hillside PTA Style Show and Industrial Exhibit.

13. Adopted a resolution of acceptance of deed for certain Doelger lands.

14. Approved membership by the local district in the California Trustees association.

FOUL PLAY AFOOT AT MARTIRE HOME

There's a canine around town that isn't exactly in good graces with P. Martire, 172 Bellevue avenue.

A stray dog or dogs got into his chicken coop this week and chewed up 25 of the foul.

Martire would like to contact the owners of the dog to have them make amends, but he's got to find the dog first.

LOCAL GROUP TO PRESENT SLATE IN COUNTY POLITICS

Labelling themselves a committee to oust the "Dematteis machine" from county politics, a group of Daly City and north Peninsula figures banded together this week to present their own candidates.

Candidates named by the local group will oppose Superior Judge Louis B. Dematteis and other county officers identified as Dematteis' associates.

Judge John J. Fahey, who for many years presided over justice courts in Daly City and South San Francisco, has named himself as one of the instigators of the movement.

"I won't say there is an organization to fight Dematteis and his boys," he said. "However, I would like to form such a group.

"I would like to clean out that group in the court house. We are for everybody that disagrees with the Dematteis crowd, and will support anybody that will fight them in the campaign."

The group's candidate to oppose County Supervisor Martin Poss will be Attorney Louis Francis of San Mateo, Fahey said. "Poss is one of the group, too," Fahey indicated. "Dematteis had his ear when the board made Keith Sorenson district attorney, John Bruning, county clerk, and Paul Jensen, coroner.

FILE COUNTER SUIT IN BRUNSWICK ROW

A cross-complaint against the Bragato Paving company for failure to comply with plans and specifications on the Brunswick street extension was filed by the city of Daly City in Superior Court Wednesday.

City Attorney Frank Blum filed the complaint in Redwood City Superior Court and said the city was asking $20,000 from Bragato.

The Bragato firm, contractors for the Brunswick street extension job, have a $16,000 suit pending against the city. Bragato claims the city still owes him $8,000 for work completed, plus $8,000 for additional work done after the retaining wall caved in.

The city, in asking $20,000 from the paving company, claims that Bragato failed to comply with plans and specifications in constructing the retaining wall. According to Blum, Bragato didn't build the brick wall in accordance with the plans and didn't take necessary care in providing lateral support for the wall. This was the cause of the cave-in which occurred in January 1953, Blum added.

"Since he didn't comply with the contract," Blum said, "The city doesn't feel that Bragato is owed any money for work done. In addition, his failure to comply with the specifications resulted in considerable hardship and delay on the project."

County May Buy Park Site In San Bruno Area

Acquisition of a 175-acre camping, picnic and recreation area may be completed within the next month according to San Mateo County Manager E. R. Stallings.

The recreation area idea has been receiving the backing of the Board of Supervisor and the County Planning commission as well as that of the North County Council of Cities, including Daly City, San Bruno, South San Francisco, Millbrae and Colma.

According to Manager Stallings the county hopes to purchase a site northwest of San Bruno. The property is owned by a syndicate headed by D. W. Williams.

At the present time there is no county operated park or recreation area in the north end of the county.

If plans progress according to schedule the picnic and recreation area may be established this year, Manager Stallings said.

Three Jefferson High school students are representing this area at the 32nd semi-annual convention of the Junior Statesmen which began yesterday (Thursday) in Long Beach.

The confab will continue through tomorrow (Saturday).

About 600 students are meeting at the Lafayette hotel to elect a new governor and Lt. Governor for the coming year.

The three Jefferson students attending are Margaret O'Brien, Kathy Dunn and Joseph R. Bocci Jr., comptroller of the Golden Gate Region, who will head the delegation.

Distinguished personalities in government will present lectures and discussions on problems and experience in government.

Postmaster Gives Go-Ahead On Move

Daly City's independent post office will go into effect April 20, according to a wire from Washington, D.C., received Tuesday by San Francisco Postmaster John F. Fixa.

Fixa said Norman Abrams, assistant postmaster general of the United States, notified him by wire Tuesday of the changeover in operations.

Whether this meant that the Daly City office would begin operating as an independent department then or that the moving process would start on the April 20 date was not revealed, Fixa said.

Personnel Increase

Establishing of the independent office here will mean a slight increase in personnel at the local building, Fixa stated.

At present there are four clerks, one superintendent, one assistant superintendent and 16 carriers.

The carrier staff will be enlarged to 22, while the supervisory personnel will number four, double the present staff. The position of superintendent, paying $5114 yearly, will be done away with to make way for a postmaster. Postmaster in charge will have an assistant, plus a superintendent of mails and a foreman, according to Fixa.

10 More Clerks

In addition to the four inside clerks now employed, ten more personnel will be added for clerical work. Fixa explained that the increase in clerk personnel is necessary because of the added work which will be placed at the Daly City office.

At present all sorting, dispatching and cancellation is being done at the Rincon annex in San Francisco. This will be done locally when the office becomes independent, the postmaster pointed out.

Fixa said he had no idea who was in line for the $5970 a year postmaster's job, nor if plans had been made to purchase a new post office building. "That information will come from Abrams as the post office department determines exactly what the needs are here," he said.

Nothing On Colma

He also said the San Francisco office was still in the dark about the status of the Colma station. "Whether it will become a branch of the Daly City office or remain a San Francisco station has not been decided," he said.

Fixa said even if the Daly City office didn't become completely independent of the San Francisco department on April 20 that the local post mark would probably still become effective at that time.

Will Cooperate

"When the change does come about my office will cooperate in every way to make the move as smooth as possible," Fixa declared.

"We have been on friendly relations with Daly City residents for many years and will do everything in our power to bring about this change quickly and efficiently," he added.

As far as any change in mail schedule with the Daly City office, Fixa said he couldn't give any definite statement.

"It might be possible that delivery of mail will be made twice daily in the business district, however," he observed.

He indicated pick up of mail would remain about the same.

TWO HEARINGS ON PLANNING AGENDA

Public hearings on two rezoning matters will be held Tuesday night beginning at 8 p.m. at the regular meeting of the Daly City planning commission.

Application of George Bushman to-zone lot 36, Block A, Mission street tract, from R-1 to R-3 will be heard. Bushman seeks to build apartments at the site, which is bounded on the north by Los Banos avenue and on the east by Mission street.

Also up for hearing is application of Margetta Masini to rezone two parcels of land. She seeks to have Lots 1 and 2, Block 24, Abbey Homestead tract, changed from R-1 to C-1, in order to establish a grocery store in that area. Also sought by her is the rezoning of Lots 3 and 4 in the same tract from R-1 to R-3. She plans to locate apartments on these lots.

LADY SUES CITY FOR MISHAP ON LOCAL SIDEWALK

A $5,000 damage suit, charging the city of Daly City and SF Muni Railway as defendants, was filed this week in San Francisco by a Daly City woman who said that she suffered severe injuries last year when she slipped and fell near the bus loading zone on Mission street.

Margaret Haslett, 50, said that when she was boarding the No. 26 bus on November 26 she stumbled in a depression in the sidewalk at the corner of San Jose avenue and Mission street. The hole was concealed by white paint, according to the complaint.

The woman claims that she suffered severe pains and mental shock as a result of the fall and also extensive medical treatment.

She charged that Daly City failed to keep the sidewalk in good repair and safe condition for travelling and said the walkway was "dangerous and defective."

DA Candidate Will Talk Before GOP At Colma Meeting

Mayor F. Herschel Campbell of the city of San Mateo will be the guest speaker at the next meeting of the North County Young Republicans. The meeting will be held at 8 p.m. on April 7, in the Colma city hall. Campbell will speak on his candidacy for district attorney of San Mateo county.

Norman P. Adler, president of the North County Young Republicans also announced that there will be a special election of officers at the meeting. Plans will be laid for a forthcoming membership drive.

ACTION TAKEN AGAINST FIVE LOCAL DRIVERS

In recent action by the Department of Motor Vehicles three Daly City drivers had their licenses placed on probation, one had his license suspended and one other driver was convicted of a charge of driving while intoxicated.

Roy Louis Demattei, 217 2nd avenue, had his license suspended and Richard Allen Getle, 105 Westlake avenue; Richard Edward McDonough, 419 Winchester street; and Anthony Stephen Perkov, 18 Crestwood drive, had their licenses put on probation.

Frederic Neil Battaglia, 103 Wilshire avenue was convicted of driving while intoxicated but the court did not recommend suspension.

URGE COUNTY SUPS TO PURCHASE N. COUNTY PARK

Seeking to speed action on purchase of a 175-acre site for a north San Mateo county park, the city council Monday night agreed to prepare a resolution urging county supervisors to acquire the site.

Councilmen Monday night read a copy of a similar resolution being adopted by several north county cities.

The proposed park site is at Sneath Lane and Junipero Serra boulevard. North county officials seek to have the site maintained in its natural beauty to be used for camping, picnics and Scouting activities.

Three DC Council Candidates Win Nod Of Labor League

Taking a tighter stand in their endorsements this year, the Labor League for Political Education Monday night endorsed three Daly City council candidates and turned down the other five.

Receiving a nod of approval from the League were Michael De Bernardi, John B. Drye, and Sanford G. Vickers. Vickers is running as an independent, while the other two are running on a ticket, along with Del Wilson.

Bill Haymes, secretary of the League, said, "We felt these three men were the only candidates worthy of consideration."

"We have tightened up this year in giving endorsements. Heretofore anybody with a friend in the union could get the endorsement," Haymes said.

"If we felt a man would be good for labor and at the same time be good for his community we gave him our endorsement," he added.

This year all labor unions went in jointly on the endorsements. Previously individual unions made their endorsements of candidates.

Many San Mateo county cities had no candidates receiving the nomination of the League. Of a total of 60 councilmen interviewed by the League, only 16 received an endorsement.

De Bernardi is a grocery clerk, while his running mate, Drye, works for a bread company. Vickers is a locomotive engineer.

Walder Files For Superior Court Judge

Officially placing his name before the voters of San Mateo County, John Waldier Monday afternoon filed his papers of candidacy with County Clerk John Bruning for the office of Superior Court Judge, Dept. 1. He will oppose 78-year-old incumbent Judge Aylett R. Cotton.

Waldier, former San Carlos city attorney, was accompanied by his attractive wife Phyllis, who witnessed the signing of the statement of candidacy and filing of the sponsors lists of 30 names. Waldier's verification deputies were Harold Larson of San Carlos and Walter Truce of Belmont.

Waldier's official statement on his filing papers pointed to his 20 years of study and practice in the field of law and his work with the YMCA and youth groups of the County.

costing taxes dear.
Around Brunswick street,
a roadway was poured,
With brick & mortar,
the hillside scored.
No reinforcement this
for oncoming wind & rain.
It could not resist,
hydraulic stress & strain.
Down, down thundered the wall,
Bricks, mortar, shack atumble.
At dawn, city fathers found,
A $100,000 lawsuit in the rumble,
Gross negligence this,
Engineering rules spurned.
Court settlement net———?
The City fathers learned.
Rebuilt, the wall cost $19,000 anew.
What folly, observers grumble.
Typical this? How otherwise
Do city fathers fumble?

Lions Extend Thanks For Recent Publicity

Dear Sir:

On behalf of the Daly City Lions Club, I would like to extend my appreciation for your help in our Youth Art Show.

Due to the success of this showing, and the one held last year, we will probably make this an annual event. Publicity is the keynote in putting over this type of project, and your newspaper was most helpful in informing the people of this area of this activity.

Yours very truly,
Walter Rector
President

My Mad World

By Leonore Brewer

After reading Mr. R. A. WALKER'S reply to our recent review of "Miss Sadie Thompson," we were tempted to discuss Censorship this week. However, we have decided that rather than try to capsualize our opinions on this extremely complex subject into one column, we shall indicate them by our stand on future films that are worthy of controversy. This would of course automatically disqualify "Miss S.T." from any further discussion. It was an abysmally dull picture, and had it been censored right off the screen, no one would have missed a thing.

Moreover, time not wasted on Sadie could have been spent to good advantage at the CLAY, where Alec Guinness is appearing in the latest in a long line of delightful British comedies, "The Captain's Paradise." As in one or two previous films, he is again the rather amiable fellow who isn't quite on the side of the angels, but who carries off his misdeeds with such an air as to cause the audience to wonder whether the angels are on the right side.

To reduce the plot to its essence, it is the tale of Henry St. James, a ship's captain, who after many years of effort finally achieves the run between Kalik, Africa, and Gibraltar. This enables him to satisfy a life-long ambition, namely, to keep two wives happy in ministering to the two sides of his nature. In Gibraltar is Celia Johnson, apparently willing to cater to the side that wants slippers and cocoa and an early curfew, and in Kalik is Yvonne De Carlo, apparently willing to dance till dawn every other night and drink nothing but champagne.

This could very easily have gotten completely out of hand and degenerated into an endless series of increasingly narrow escapes from detection. But as it is, there is only one tight squeak, masterfully handled by man-of-the-world Guinness, and his subsequent references to it in conversation with his chief officer is one of the high points of the pictures. As Guinness instructs him in the fine art of bringing a ship (or a woman) safely into a quiet harbor with the master's steady hand always at the helm, his superb confidence in his ability to keep two women happy should become a classic of screen comedy.

Considerably before the Captain recognizes the essential flaw in his otherwise perfect scheme for married bliss, the audience becomes aware that there is potential trouble in paradise. It is therefore prepared, as the Captain is not, to learn that he is not only "a silly old man" but "a colossal, stupendous bore" to boot.

To ask that an audience follow Guinness' careful building of his characterization, facet by facet; to ask that it watch him as he is brought face to face with himself, and then to ask that it accept the contrived "shock" ending is asking the impossible, and it is here that the film falls just short of being the masterpiece it should have been. If something were to happen to the last few feet of the film, it would be a most fortunate accident.

The short immediately after the film was a Pete Smith Specialty, something about "Things We Could Do Without," and, brother, a Smith named Pete is one of them.

Safety News From Your Local Police

The strange case of a man who was glad he got a traffic ticket has convinced the California Highway Patrol there's at least one driver in the state who knows the value of driving at safe speeds.

On a recent holiday jaunt with his family the man was cited by a Highway Patrolman for doing 70.

After getting the ticket, he went on his way but kept his speed below 50. Five miles down the road a front tire blew out. The car swerved wildly but the driver managed to bring it to a safe stop.

He didn't need a picture to show him what would have happened had he still been rolling along at 70.

The payoff came when he wrote to the commander of the patrol area where he picked up the ticket, asking him to thank the officer who cited him, expressing hope that other motorists would profit from his experience and saying he would "gratefully" pay the penalty.

Commenting on the incident, Patrol Commission B. R. Caldwell agreed that the letter writer was fortunate to have been stopped. He said Patrol files are bulging with coroner's reports on hundreds of other motorists who weren't so lucky.

Drivers who imagine they can depend on luck to keep them out of accidents should remember that luck is usually bad when high speed is a factor.

R. Seagraves Files As DA Candidate

Roy W. Seagraves, prominent Peninsula attorney, today filed as a candidate for the office of District Attorney of San Mateo county.

Seagraves, who is forty-four years of age, has a record of more than twenty years experience in the practice of law. He was a Deputy District Attorney for two years prior to World War II and served two years as a Municipal Judge before entering the Marine Corps in 1942.

Seagraves declared today that, "with the phenomenal growth of our county and the increase in crime here, it has become more important than ever that the office of District Attorney be filled by a man of maturity and extensive experience, especially in the field of criminal law and in the trial of criminal cases.

"We need aggressive new blood in the Court House in Redwood City. The strain has become weakened by too much inbreeding.

"I believe in equal justice before the courts and before Grand Juries—regardless of race, creed, color, financial status or political connections.

"I believe that all men are created equal—I do not believe that some men are more equal than others.

"I will be an active District Attorney and will personally try major criminal cases. I will not send my deputies to do the work which I have been elected and paid to perform.

"I have tried many cases both civil and criminal for the past twenty years and have learned something from each case. What I have learned, and what I will continue to learn, I shall put to work, and will fight for the rights of all, and for the decency of environment to which we are all entitled."

Council Campaign Continues

Gaggero Asks That Voters Look At Record Of Economy

Mayor A. J. Gaggero, candidate for re-election, stated today that voters could look at the record and see for themselves that his administration had established the fact of no increase in taxes.

"This," Gaggero said, "is a fact even though we have embarked upon a program of civic improvement involving projects costing thousands of dollars. When improvements can be financed without affecting the tax rate, it reflects sound planning and a business-like administration."

Gaggero stated that not one of the non-incumbent candidates has come up with any program at all and that their lack of a platform indicated nothing but a "me too" attitude.

"Voters should take the responsibility of going to the polls on April 13 to make sure that a concrete program of civic progress will be in store for Daly City during the next four years," Gaggero stated.

The Mayor stated that Daly City's rapid progress would continue for at least four years and that the city seemed destined to become the largest city in San Mateo county.

He pledged a program of continued progress and expressed his thanks to the many voters who have volunteered to aid in his campaign for re-election.

LET IT PASS

If another car attempts to pass you on the highway, slow down a little, move over to the right a little, and let it pass, advises the National Automobile Club. Staying out in front of the parade may be important, but it is not quite so important as staying out of the hospital or morgue.

The 450-foot relief map of California was installed in the Ferry Building at San Francisco in 1924.

CAMPAIGN FOR VICKERS GAINS MORE SUPPORT

In addition to being one of the few city council candidates thruout the county to receive endorsement of the Labor League for Political Education, Daly City Council Candidate Sanford G. Vickers was this week given high praise by the Brotherhood of Locomotive Engineers, San Francisco Division 161.

Arthur M. Fisk, chief engineer of the division, said "Sanford G. Vickers has been a member of the Brotherhood for a number of years. We not only endorse him as a good labor man, but also as a man of high integrity. He is sincere and honest in his convictions and would be an asset to any community."

Vickers' campaign has continued to gain momentum since he announced his candidacy on Mar. 5. He already has more than 150 active endorsers from every section of Daly City.

Running on a slogan of "Government Is YOUR Business," Vickers, because of his wide experience in municipal affairs, coupled with tremendous enthusiasm for his work, has been declared the only candidate who really has anything to offer all the people.

DRYE WILL SEEK HIGH TYPE LAW ENFORCEMENT

Is you city a good place to live in? Hundreds of American cities are not! They are being strangled by corruption, inefficient government, poor schools and crime. The paralyzing apathy among their citizens promises no improvement, unless the local citizens have sufficient interest in their local government to cast their vote.

Hundreds of American cities are good places to live in today, all because the voting citizens of those cities arose to challenge the rising invasion of immorality, crime and corruption that sought to invade their communities.

I intend to seek the highest type of law enforcement officers, and to provide them a better than living wage, with retirement and sick benefits that will discourage bribes, and promote one of the finest law enforcement staffs on the west coast.

Discourage corruption through your local law enforcement staff. Have the finest which will cost you less. Exercise your right to vote by placing civil servants into office whose unselfish interest and moral character is one for the welfare of all of Daly City.

Incumbents Show No Real Progress, English Asserts

The incumbents have, for the past several weeks, made quite a play of progressive improvement during their tenure. Nothing progressive has been done that was not born of necessity or dictated by special interests, whereas much that should have been done never has gotten past the talking stage.

Financing of the improvements that we now need and should expect from a progressive council would necessitate a tax burden so enormous for contemplation with our present source of revenue.

Though the tax rate is reputed by one of the incumbents, as being comparatively low for a city of this size, there is much to be said about the high assessed valuation which after all, determines the amount of taxation to be paid. Unless we have a council willing to assert itself toward brining in more industry, to share the tax burden we can either expect no further progress or progress at a price too dear for us to pay. If you, the voters, wan honest, progressive leadership in Daly City elect men unincumbered by previous commitments to special interests, your independent candidates.

Wilson Cites Cost Of Incumbents 'Economy' In Office

Incumbents for the office of Councilman, have encumbered the City of Daly City with more debts than an irresponsible person with unlimited charge accounts! And you, the taxpayers, are expected to keep "husbanding" their unthinking wastefullness by voting them into office for another four years. Think, taxpayers! Check the bills! And while checking, remember, your City Government is no "Til-death-do-us-part" contract with incumbents. See the following figures and show at the polls that such spending and your feelings are "poles apart."

Six years—Community Center $295,000 bond election. Cost to date $441,500. (Uncompleted).

Five years—Brunswick extension—one block long—cost to date $58,942. (Uncompleted).

Cost of remodeling water department's new location on Mission street, directly across from a city-owned building which could be used rent-free...$3500. (Rent $1920 per year).

Lawsuits: Brunswick extension —$125,000; Frankfort street—$30,000.

If this is progress, "It's Time For A Change!"

Efforts Of Council Responsible For Transit -- Kennedy

Councilman James Kennedy, whose campaign for re-election on April 13 is attracting a good response from Daly City voters, said today that efforts of the City Council have been responsible for better transportation facilities and that his group has been negotiating with three separate operators to expand and improve public transportation.

"As more people move to our area, better transportation will result," Kenendy said.

Kenendy, a life-long resident of Daly City, is well acquainted with the problems of municipalities and has devoted much time and effort towards increasing and improving municipal facilities.

"Plan Ahead; Do-it-now, and pay-as-you-go are the watchwords I have tried to be guided by as your City Councilman," Kennedy said, "and I believe discriminating voters will agree that the Daly City Council has been progressive one during the past four years. I am pledged to a continued program of progress."

Kennedy said the City Council should done away with bickering and personalities in its efforts to legislate a progressive program, and that harmonious relationships among civic leaders was responsible for accomplishments.

HEART GROUP MAKES FINAL FUND APPEAL

A final appeal for donations to keep the work of the San Mateo County Heart Association in operation was made today by Mrs. Ruth Close, director of the Heart Association.

Returns from letters sent out to make up the deficit of $7500 needed by the group have brought in only half this amount and unless the additional funds are raised the entire program faces drastic curtailment, Mrs. Close said.

"With heart disease the number one killer in America as well as right here in San Mateo county, it is essential to the welfare of every family that the present tremendous research program of heart disease continue," Mrs. Close asserted, "and if this request for a small donation from each family fails, it will be extremely damaging."

Many people have made their donation in the form of a memorial to a loved one, a friend or business associate. The Heart Association immediately upon receipt of a check, sends an appropriate card to the bereaved family stating that the donor has sent the remembrance to the heart fund in honor of the deceased.

DE BERNARDI HITS "PROGRESS" OF INCUMBENT TRIO

The incumbents have used the words "progress," "economy" and "top team." I, for one, question their right to use this slogan and would like a few answers to items not brought to light in their articles.

1. What was the real purpose of the Brunswick extension? Hasn't it cost $78,000 plus approximately $125,000 in pending law suits? Isn't this street only one block long?

2. Who was in power on the council when the "bookie" scandal was brought to light in Daly City?

3. What happened to the yearly profit of $100,000 that is made by our water department? Why isn't a certain amount of this money put into a sinking fund to replace 20-year-old equipment?

4. Why, after funds ran out on the first bond issue, were bids let out for the incomplete community center? Hasn't it cost $455,000 so far and still incomplete after four years?

If all these facts constitute progress and economy, then I say "It's time for a change."

ALEMANY WORK IS FIFTH SIGNAL PROJECT -- GREEN

Councilman Paul Green, whose campaign for re-election swung into full momentum this week, said that work on new traffic signals on Alemany Blvd. was in progress and that this project would mark the fifth major traffic light installation accomplished during his term on the Council.

A sponsor of "Pay-as-you-go" legislation, Councilman Green pointed to the fact that Daly City's tax rate has been held in check during the past four years.

"Some of the johnny-comelately candidates for Councilmen are notably conspicuous by their absence from Council meetings and by the fact that none of them have ever indicated any interest in civic affairs," Green said. "The people of Daly City have demonstrated time and time again that they want progressive Councilmen.

"Daly City is the only city in San Mateo county which has completed a Memorial Community Center building," Green said, "and this is only one of the platform promises during my last campaign which has been fulfilled."

Better street lighting, better police and fire department operations, streamlined city administration and a completely-modernized water system are other accomplishments of the past four years, Green's campaign workers stated.

BROADMOOR TO HOLD ELECTION ON MONDAY

Residents of the Broadmoor Police Protection district will vote Monday to select one police commissioner to serve a three-year term.

Candidates are Harry Brown, 755 Stewart avenue, and Sam Peeple, 524 C street. Brown is a part-time officer on the Broadmoor police force and an insurance investigator, while Peeples is an author.

The polling place, located at the Broadmoor police station, 88th and Edgeworth streets, will be open from 7 a.m. to 7 p.m.

Commissioner elected will replace Frank Corso, chairman, who is resigning at the expiration of his term.

After the election, Commissioner Val Olson will take over as chairman, Joseph Belli Jr. will be treasurer and the newly-elected member will be secretary.

Winner in the election will assume office at the April 14 meeting.

Make a full stop at the boulevard stop, advises the National Automobile Club.

YOUR NEIGHBORS AND MINE

By Betty Brush

Goodbye March — hello April. March with it's seige of rainy, blustery weather and many cases of illness has left us and now we are looking forward to April with it's showers, Easter vacations and finally Easter itself. There are many happy days ahead of all of us but let's see what happened in the closing days of last month.

First of all CARL of the RELISH BAKERY is a busy man these days getting ready for Easter. He says, "This year we will have the most beautifully decorated cakes and cookies for Easter that we have ever had." Besides the cakes he has an outstanding array of Easter baskets all created by his wife, ISABELLE, to tempt anyone, especially the children. It is really an art to turn out baskets such as these and they are a pleasure to behold.

MRS. MARIE MARKGRAF of San Jose avenue was a very happy and busy lady Sunday of last week. She had a birthday dinner for her daughter KAY who celebrated the event with lots of fun and family. Among those who were there to help Kay celebrate the occasion were MR. and MRS. K. BOWEN and family, MR. and MRS. LOU HEGLER and family, and MR. and MRS. SYL CRUZ SR. Happy birthday from all of us too, Kay.

CYPRESS CIRCLE U.A.O.D. held their official visit of the Grand Arch Druidess on Wednesday of last week. Among the visiting members of other Circles were MRS. MAY BAKER, MAMA LOMBARD, MRS. MADELINE FELLOWS, MRS. LILLIAN FELTCH, MRS. AGNES PRESCOTT, and MRS. MARTHA WEGNER all of Hillcrest Circle. They enjoyed the evening very much and hope to see many of the members of Cypress Circle at their own official visit which takes place next week.

Items of Interest

Sympathies of the neighbors are extended this week to MR. and MRS. ACHILLE LIBERTI on the passing of Mr. Liberti's mother, MRS. JOSEPHINE LIBERTI. Besides her husband, Alfonso, she was the beloved mother of Achille, and Louis Liberti, and Mrs. Veronica Ferrigon. She is also survived by sisters and brothers and six grandchildren. A Requiem High Mass was held at St. James church at 9:30 a.m. on Monday of last week and entombment was at Holy Cross Mausoleum.

Not to be outdone by the ladies of the parish, the OLPH MEN'S CLUB has come up with an event that really should be not only good but most interesting to all. They are sponsoring a Sports Show which will be held April 8 at the community center. There will be all kinds of sports contests held and the admission is only $1 for adults. The teen-agers can get their tickets at the door for 35 cents. Many of the youngsters belonging to your neighbors and mine will be participating in these events so that should be just one more reason to go to the Sports Show. See you there.

Once in awhile we hear of something especially nice about one of our neighbors that really makes us feel good. There is an old saying—"Do one bad deed and you will hear about it one thousand times. Do one thousand good deeds and you won't hear about them once." This deed speaks for itself. A friend of one of the neighbors is very ill in the hospital and will be there an indeterminate time. She has a little fellow of about three and no family to watch him during this time. Her friend, knowing of her anxiety concerning the little boy and also knowing that being free from worry helps one to get well, offered to care for him as long as it is necessary. The mother is making progress, although slowly and the friend and neighbor, MRS. PAULINE DAY of Los Olivos avenue, is happy in the knowledge that she is doing her part to help a friend. What nice neighbors we do have!

Having a birthday on March 29 of this week was MRS. BRETTA MORRIS of our town. Bretta is among those standbys of the Eagle's Bowling team and also one of the most liked of neighbors. Happy birthday, Bretta.

Another of the neighbors has been a victim of the flu bug only she really, as the expression goes, "had it." Her flu turned into pneumonia and she spent three weeks in the hospital plus another week in bed at home. One and all will be glad to hear that MRS. MYRTLE NESBIT of Los Olivos avenue is now able to be up and around again. It is always good to see the neighbors about after they have been so ill.

Servicemen

BILL LAHERTY is about the last member with the exception of a few in college of the class of '50 of Riordan High who are still civilians. That is now remedied. Bill has just become a member of Uncle Sam's Army and has left for Fort Ord where he will take his basic training. Good luck, Bill, from all your friends both in and out of the service.

A 2/c SYL CRUZ JR. of Biggs Air Force Base is now on his way home on furlough. Mother Edna is busy cooking and baking with all the vim and vigor of a mother who hasn't seen her son for a long time. After this furlough Syl will again leave for overseas duty. He returned the first of the year after many months of duty in Korea and this time expects to see the European side of the world.

CPL. ROBERT E. STONE is now getting to that dazed anxious stage that hits all the fellows when they get the time of their enlistments down to weeks. Bob expects his discharge sometime next month and says that the last few remaining weeks are really dragging. It won't be long now Bob, and you'll be a civilian again. The Army's loss will be industry's gain.

The Air Force has a new recruit. If children don't quit growing up so fast I'll never be able to keep track of them. PAUL LEVER, son of Mrs. Peg Oberlercher, formerly of our town, has signed those important papers. Peg and Paul will be remembered by many in the Los Olivos-Los Banos area as Peg's father had the little grocery store known as "Phil's" for many years. Good luck to a fine young man on his choice of a career.

A 2/c JIM MILLER stopped in our town for a few days before reporting to his new station at Point Arena. Jim is the brother of Bob Miller of Los Olivos avenue and this was his first meeting with his young nephew, Bobby. Jim likes this assignment far better than the last which was at a lonely air base in Wyoming. His home town is in Aliquippa, Pennsylvania.

Seaman JOHN MONAH of the U. S. Navy is due for a surprise this week. His mother and father, JACK & EDNAH MONAH, along with friends, JERRY & EDRIE SUMMER, are leaving for San Diego to pay him a visit. It has been some time since the Monahs have seen their son and they figured as long as the mountain wouldn't come to Mohammed—Mohammed would go to the mountain.

Another young man has left for Lackland Air Force Base for service with "Uncle." LEONARD DIDLOTT, who is a friend of one of the neighbors, left us last week and all the best wishes of the folks go with him. As soon as his address is sent I will pass it on to you. Reason? He is an orphan and nothing is more lonely than mail call with no mail. How about letting him know that he really is not alone, huh, folks?

News and Views

MRS. MARGE CLARK of Willits street gathered her husband and two children up one day last week, loaded the family car and took off to Santa Barbara. While there they will visit family and friends that they haven't seen for a long time.

This sound like fun. BILL and LEE O'NEIL and JERRY and EDRIE SUMMERS of Peoria street celebrated the birthdays of their husbands by being taken out to dinner and an evening of fun last week. Don't know how the husbands liked the idea but the gals thought it was the best way yet to celebrate a birthday.

MRS. WILMA RILEY of the Daly City water department packed her duffle bag and took off by plane for Los Angeles last week to visit her family. Her smiling face should be behind the counter to greet us by the time this is being read as her vacation was a short one.

MISS BABS BLANKENHORN, daughter of MR. and MRS. JACK BLANKENHORN of Congo avenue had a birthday last week. She celebrated the occasion of being thirteen years old by being treated to a luncheon and show with her mother Jean who is currently the president of the Eagles Auxiliary. Happy birthday from all the neighbors, Babs .

The Fashion Show sponsored by the OLPH Mother's club which was held last Sunday was really a huge success. To have an undertaking as enormous as this go off without a hitch really takes a lot of planning and teamwork. Mothers, who are always the biggest team of all, that's what the members of the Mother's club are, who really get in and work for the benefit of your children and mine. On behalf of their president, MRS. RUTH CRESTA, thanks are extended to any and all who had a part in this production. On behalf of the rest of us—thanks to them for a wonderfully entertaining afternoon.

The Lucky Thirteen club, a group of the newly married and about to be or hope to be held their meeting last week. They gathered at the home of SHIRLEY CREIGHTON of Station avenue for an evening of food, gab and fun. Of course those with babies just had to tell about Jr. and those with boy friends thought their topic of conversation was the most interesting. All in all they had a grand time.

Another car and child met in the street and once again the child was very lucky. MARY ANN ARNAUDO of Willits street was the latest victim of not watching. She and the car met near the Toyland Nursery school and fortunately the car was practically walking. She is fine and now back in school a wiser little girl.

To finish up the month of March which really was loaded with birthdays was JOE LEWKOWITZ JR., baseball playing son of our popular service station owner, Joe Lewkowitz Sr. All the best wishes of the folks are sent to Joe Jr. on his birthday and also wishes for a happy year in his chosen profession.

Well, neighbors, another week and month have passed in which the comings and goings of the folks has made news for all of us. As the weeks go on so does the news so let me hear from you especially about your boys in the service. Remember the phone is PL. 5-6482 and if you don't get me the first time just keep trying. I'll be waiting to hear from you. Until next week, 'bye now.

ILLUSTRATING the need for funds, Mrs. Anthony Moses of Westlake, head of the American Cancer Society drive which starts here tomorrow (Thursday), hold one of the many mice which are kept by the society for research on the dread disease. Mrs. Moses, in urging contributions, pointed out that $5 would feed one mouse for one year. "It is through research with animals such as these that great strides are made toward an eventual cure for the disease."

CANCER DRIVE HERE SEEKS GOAL OF $5000

The American Cancer society drive got underway here yesterday.

Mrs. James Anthony Moses, district chairman for Daly City, Westlake, Broadmoor, Garden Village and Colma, was anxious to point out that the San Mateo branch of the society "does not in any way belong to the United Crusade."

She said that some persons had been hesitant to support the Cancer campaign, believing that cancer funds were a part of the United Crusade drive.

"However," she said, "we feel if local residents will get behind this drive it can be a real success."

Goal for the drive in this area is $5000. The campaign will be conducted through the month of April.

In all, there will be more than 200 persons making door-to-door solicitations for the local drive.

City chairmen for the drive are Mrs. Julian Cohn, Westlake; Mrs. Howard Sawyer, Daly City; Mrs. S. H. Dennis Jr., Broadmoor, Garden Village; and Mrs. M. Moreno, Colma.

Assisting each city chairman will be a group of captains, who in turn will be aided by a crew of workers.

Pointing out the many costs of research to combat Cancer, Mrs. Moses gave one example: "Mice are used in conducting research on the dread disease. To support one mouse for a year costs $5. Could you support a mouse for a year or part of a year? The many sufferers of cancer plus the thousands who will someday contract the disease may be saved by your financial support."

DANGER AT INTERSECTIONS

Having the legal right-of-way at intersections does not always save you from the reckless driver, points out the National Automobile Club. Whether you have the right-of-way or not, it is always wisest to approach an intersection with caution.

Girl Scouts And Families Are Invited To South SF Rally

All Girl Scouts, their families, and friends are invited to the annual camp rally this Saturday from 7 to 9 p.m., at the Orange avenue Recreation center in South San Francisco.

This includes not only those attending established camp; but also those attending any day or troop camp.

The Junior Camp committee, composed of girl scouts elected at Camp Wasibo last summer, are in charge of the plans for the combined rally and reunion. Troops in the north county have been using the new camp at Sonora this year. These girls who have already visited the camp will answer the many questions about the new site.

Upon entering the recreation center, visitors will be greeted by hostesses Frances White of Sharp Park, and Mary Sallade of Daly City. These girls will start the guests on their visits to the various booths set up in the main hall. Booths featuring singing, equipment, games, camp information, and refreshments will be presided over by Carole Springer, San Bruno, Nancy Mayneard, Millbrae senion aide, Judy Walcomb, San Mateo, Mary Beth O'Donnell, Sharp Park, Debe Ormando, San Bruno, and Sharon Plowright, Milbrae Senior aide.

In the games corner will be Liane Sarmento, Milbrae, and Charlene Taylor, Daly City senior aide. Answering questions will be Susan Damon, Colma, Ann McCarthy, chairman of the Junior Camp Committee, is in charge of refreshments. There will be one booth, supervised by Mary Sulger, Burlingame, featuring a large box decorated with a question mark. It is hoped that the many parents and Scouts will have original ideas for a name for the new Sonora camp. For the first year Sonora is operating without a camp name, as it is felt the girls themselves should have an opportunity to help in the selection.

Assisting the girls are Mrs. Margaret Damon, advisor to the group, Mrs. Ida Snarr, Mrs. Irene O'Donnell, Mrs. E. W. Sulgar, Mrs. Thomas Haeggerty, and Miss Margaret Dady, North County Executive Director.

Camp folders were distributed to the neighborhood chairmen March 31st, to be distributed to the girls through their troops.

VILLAGE FAIR AND FESTIVAL SLATED FOR BROADMOOR COMMUNITY MAY 7

Do you know a sword swallower or a magician, a silhouette-cutter or a hand-writing analyist? Maybe you have a talent along these lines, or maybe you can sing or dance, draw caricatures or operate marionettes. Maybe you enjoy painting, ceramics, wood-carving or photography as hobbies. Whatever the talent or the hobby, it may be put to good purpose at Village Fair and Festival, to be held Friday evening, May 7, and Saturday afternoon and evening, May 8.

This is a new project, to be put on by everyone in the community who wants to see children kept busy and happy. It will be sponsored by the James L. Snell PTA, but no funds will go to that organization or to any other. All profits from the fair will go towards a community recreation program and the necessary equipment and personnel to make it successful.

Present plans for the fair call for: booths—with games, wares and refreshments, to be sponsored by any persons or groups so desiring; a program—presented by the students of the Benjamin Franklin and Garden Village schools and by anyone else who wishes to help; exhibits—by persons or groups who have interesting hobbies or projects which could be enjoyed by everyone; rides—maybe a merry-go-round and a ferris wheel; a tea room—for those who would like to enjoy the fair without having to hurry home and cook. Maybe other features can be added; since the event will be held in the Garden Village school area, there will be plenty of room in which to present a wonderful Village Fair and Festival.

These are big plans for a big idea, and sponsors ask all organizations and individuals in the community to help make the realization just as big. To volunteer your services, or for information, call Mrs. C. M. Warner at PL. 5-1995.

WORK ON WESTLAKE BAPTIST CHURCH SET TO BEGIN HERE IN SIXTY DAYS

Building plans are almost completed for the first unit of the Westlake Baptist church and work is scheduled to begin within 60 days, it was learned yesterday.

The first unit of the edifice, to be located at Southgate and Elmwood, will accommodate 250 persons, with a lower auditorium for social activities. Eventual capacity of the church is expected to be near 500.

The lower auditorium will be used temporarily for a Youth center until additional building allows conducting of a full youth program.

The Rev. Roy L. Milam, minister, reported that conditions will probably permit work on the first unit to start June 1.

When the building is finished and all pews, a pipe organ and furnishings are installed it is believed the structure will be appraised at $100,000.

Electrical engineers from the PG&E are currently assisting in designing a colored fountain six feet in diameter which will be lit up at night and will display an assortment of colored lights, comparable to those seen at the Treasure Island World Fair in 1940, the Rev. Milam said.

"Careful and long planning by landscape engineers will give the ground area on of the most beautiful landscaping developments in San Mateo county," the Rev. Milan pointed out.

Completion date has been set for Thanksgiving, 1954.

Joe Verducci, local councilman and athletic director at San Francisco State college, is in full charge of recruiting talent to perform in this largest of functions to be held yet in the magnificent new structure. Verducci states that he has obtained a star-studded array of college and amateur talent, practically all of whom are either Olympic champions or National A.A.U. champions. He has prepared a full two-hour show which will be of unusual interest not only to the youth of the community, but also to the adults.

The show will consist of boxing bouts, wrestling bouts, acrobatic dancing, bag punching, trampoline performing, roller skating, and many other colorful and entertaining features.

The committee in charge of these activities consists of Liberty, Walt Gillis, Dick Graham, Bud Lycett, Bob Lynch, Verducci, and Paul Green.

Tickets are $1 for adults and can be obtained from any member of the Mens club of Our Lady of Perpetual Help church, or from the above named committee members, or in the office of Pete Markovich, or in McGraw's Pharmacy. Student's tickets sell for 35 cents and are to be obtained at the door only.

ALWAYS CLEAN INTERIOR

The car's upholstery should be kept clean at all times, points out the National Automobile Club. It makes riding in the car a pleasanter experience, and adds immeasurably to its appearance. Neatsfoot oil is a proved dressing for leather. Heavy spots on cloth upholstery should be left to an expert.

THUR MEAT REGAINS BOWLING LEAD--- KEGLER ROLLS RECORD GAME--272

Copping two games from Vince and Fred's, Thur Meat Co. moved back out in front in the Daly City -Colma Bowling league at Brentwood Tuesday.

Kennedy Electric, who last week moved into a tie for first with Thur, becoming the first team to threaten the meatmen in the past two months, dropped two to Carlos Pizzeria and are now one game out.

Thur now has a 48-33 mark, while Kennedy has a 47-34 record.

Highlight of the evening was the record-breaking 272 game rolled by Nola Clevidence of the Daly City Eagles. The entire Brentwood competition came to a standstill as Clevidence rolled nine straight strikes, then hit for seven pins on his tenth effort. He cleaned them up for a spare, compiling the best game ever recorded in the Daly City-Colma Bowling league's history. Previous record, 260, was only 17 pins off the Brentwood Bowl all-time record of 289.

For his dazzling performance, Clevidence was awarded a lapel pin by the management.

The only three game sweeps turned in Tuesday night were by Brisbane, cellar-dweller, who knocked off Pearson & Rector, and Paul's Flowers, who took Adeline Market for a trio of wins.

High individual series was bowled Tuesday by Frank Thur of Thur Meat Co., who racked up a 510. High team game went to the Daly City Eagles with an 888, while Lombardi Auto rolled a 2537 for high team series.

INDIAN FROSH-SOPH CLUB ROUTS SAN JOSE

After an inauspicious start the previous week against Carlmont, Jefferson High's Frosh-Soph nine came back strong last Thursday against San Jose, dumping the Bulldog outfit, 15 to 0, in the Indians' second league contest.

Jim Honeywell, who performed yeoman chores on the mound the previous week, returned Thursday to chuck a three-hit shutout. The errors that had plagued the Indians a week earlier were minimized and the locals' hitting attack reached full bloom, as the Jeffs swatted out a total of 10 hits in 31 times at bat.

The batting attack was highlighted by a three-run homer delivered by Honeywell in the third inning and a round-trip blast by left-fielder Daryl Hutchinson in the fifth inning that sparked a four-run rally. That inning saw the Jeffs getting a total of seven hits.

Honeywell, in allowing three scattered singles, was never in trouble throughout the seven innings. Coach Byron Van Alstine, who has taken over tutoring of the F-S team this year, said his club shows signs of turning in a good season if the errors can be erased.

Only unhappy note of last Thursday's game was Jeff first-baseman Cliff Barrott's sixth inning homer. Freshman Barrott, getting his first four-bagger in league play, got a little excited and missed second base while making the circuit. The ump called him out.

Hottest man on the bases for the Jeffs was center-patcher Bob Grubb, who, in addition to getting two hits in as many tries, scored three runs and stole two bases. Third sacker Ray Vuillmainroy hit safely in two times at bat, while Honeywell got two for three, as did Barrett.

Mossi Sparkles In Clutch Performance

Don Mossi, former Jefferson high baseball star, turned in an outstanding effort of relief pitching for the Cleveland Indians Sunday, March 21, relieving Ray Narleski in the ninth inning to cheak off a New York Giant rally.

The Giants' Al Dark and Don Mueller opened the inning with singles and advanced on an infield out. Willy Mays then drew a pass to load the bases. At that time Mossi was called in for firemen duties for Narleski, cutting off the rally with only one run.

Mossi also was a former competitor with the Sarto A.C. club here.

Venturi, Ward To Enter Merced Golf

Ken Venturi and Harvie Ward, two of the top amateur golfers in the United States, have definitely entered the coming $10,000 San Francisco Open Invitational golf tournament, general chairman Bob Cardinal announced yesterday.

The tournament, sponsored by the S. F. Junior Chamber of Commerce, scheduled for April 30, May 1-2 at the Lake Merced Golf and Country Club in Daly City.

Venturi and Ward are members of the U. S. Walker Cup team, and Ward is employed by Eddie Lowery at his Van Etta Motors. Lowery is a member of the executive committee of the U. S. Golf Association.

Venturi is a former state and city champion, and Ward is the British Amateur Champion, and recently won the Palm Springs Invitational. Both are now in Florida, practicing with Byron Nelson for the coming masters' tournament.

The S.F. Open is a 54-hole pro-amateur tournament.

Sarto A.C. Rallies To Nip Tromborg's In Adult Cage Play

Capitalizing on the absence of high-scoring Tromborg center Jack Allain, Sarto A.C. came from behind Tuesday to top Tromborg Plumbing, 69 to 62, in the second week of the Adult Basketball league play at the community center.

Tromborg jumped to an early 7-0 lead, and were leading the athletic club, 28 to 18, with five minutes to go in the first half.

Allain was then pulled for a rest, and the Sartomen took advantage to the tune of 13-point scoring spree, holding the plumbers scoreless during the remainder of the half to take over, 31 to 28.

That was the margin Sarto needed, as they stayed out in front the rest of the contest. Allain had a tremendous evening, sharing the rebounds and scoring a total of 27 points for highpoint honors of the evening. Wayne Lovelace of Sarto led his club with 20 markers.

Larry Blanchard, former Jeff high great, and more recently key man on the SMJC club, played his last game with Sarto A.C., scoring 11 tallies. Blanchard will report for induction with the armed forces on April 14.

In the opening game Tuesday, Ralph's Cleaners waltzed to a win over Gigli Plumbing, 75 to 58. Bill Gregg, forward, paced the cleaners with 19 points, while Jimmy Wong had an equal number for the losers.

Sarto now leads the circuit with two wins, no losses, while Alta and Ralph's trail with 1-0 marks. Remainder of the teams haven't won a game to date.

MUSIC OF EARLY INDIAN

The music of the early Indian nowhere appears to be better preserved than in New Mexico, according to the National Automobile Club. There, among the Pueblo, Navaho, and Apache Indians, it has been handed down by rote from one generation to another from prehistoric times.

JEFF TRACKMEN TAKE SWEEP OVER CARLMONT

Showing power in both track and field, the Jefferson High cinder squads buried Carlmont Tuesday at the local oval.

In the varsity decision, won by the locals, 98 to 13, the Jeffs took every first place but the mile and they only missed winning this event by four-tenths of a second, as Jim Rector was runner-up only two strides behind the winner.

The 30s also racked up a big point total, winning 74 to 38, while the 20s had no trouble winning, 52 to 16.

Varsity first place winners were: Wayne Webb, 100-yard dash, 10.6, 220-yard dash, 23.8; Larry Allen, 880, 2:05.1, 180 LH, 22.3; Mike Cloonan, shot, 38' 8", discus, 112' 6"; Don Wiesner, 120 HH, 17.9; Wally Honeywell, 440, 54.2; Dave Herzog, HJ, 5' 6"; Neil Lundy, Merl Alonzo (tie) PV 9' 6"; Del Hamann, BJ, 17' 8"; relay, 1:36.6.

JEFF GOLFERS WALLOP LINCOLN

Scoring their 21st consecutive win over a two-year period, Jefferson High school's golf team whacked Lincoln of San Jose, 18½ to 8½, Tuesday at the Lake Merced course.

It marked the second straight league victory for Indians. Last week they took the measure of Palo Alto.

In Tuesday's competition, the Jeffs' Charles Blackburn posted low round with a 77. John Geertsen had next best score with a 78, while Jim Courts went the round in 85.

Former Jeff Cinderman Turns In 51 Flat 440

Leh Monson, former Jefferson High quarter-miler, ran a 51 flat 440 this week for a second place in a three-way Big Seven conference dual track meet.

Monson, competing for San Mateo Junior college, turned in the best effort of the 14 Bulldog trackmen competing.

The Indian linksmen, under coach Mike Orlich, will be gunning for the PAL championship this year. Although undefeated in match play last year, they dropped the PAL finals by one stroke.

CUB TEAM GETS SHELLACKING FROM APTOS NINE

Although outhitting their opponents 16 to 13, Westlake's Cub Pack 248 team got a thorough shellacking Saturday against Aptos Pack 43 in their second West of Twin Peaks Cubs Softball league game.

The Aptos gang wound up on the long end of a 13-4 score, as the local club couldn't hit behind their

batted nearly 500, getting 16 hits in 33 trips to the plate, they couldn't come through in the clutch.

In two league games the Westlakers have a 1-1 record in league play. As a team, they have been hitting well above 400 for the two league contests.

Sparking the Pack 248's poorly-timed hitting attack were First Baseman Peter Dunan, who got three for three, Short Stop Jim Pinelli, who hit safely three times in four tries, Catcher Clark Beerman, who got two for four, and T. Hanson, center fielder, who hit safely in four times at bat.

One of Dunan's blows was a three-bagger, being the only extra-base hit for the Westlake team.

Jes Tambor started for the locals, allowing 10 hits and as many walks. Beerman took over in the sixth to finish the game.

The Pack 248 boys will attempt to take beter advantage of their scoring opportunities this Saturday at 10 a.m. when they vie against Pack 123 in their third league start at Ocean View Playground.

Probable starter on the mound for locals will be Tambor, with Dunan at backstop.

VARSITY NINE TOP BALBOA, 4 TO 2

First League Contest Today With Burlingame

Fresh from a 4-2 practice victory over Balboa Wednesday, the Jefferson Indian varsity baseball squad will see their first league action against Burlingame today (Friday) at 3:15 p.m. on the local diamond.

In Wednesday's fray Dan Bertelli tossed seven-hit ball and stayed out of trouble in nearly every frame but the ninth.

He struck out nine and walked four. In the ninth inning, the Balboans put two hits together to score one run, but Bertelli then knuckled down to put out the side.

It was the Jeffs third victory against one loss since the regular varsity members have returned to the team from basketball play.

Wayne McNeal was the big gun for the Daly City nine, getting a home run in the second that drove across Don Delbon. McNeal also picked up a single. All but four of the Jeff roster hit safely at least once.

JEFF MERMEN TAKE THREE DIVISIONS FROM BURLINGAME

Showing strength in all weights, Jefferson High's swimming team dunked Burlingame High Thursday in all three divisions in a Peninsula Athletic league meet held at the Daly City pool.

The locals captured first place in seven of the eight events to cop the varsity competition, 47 to 19. In the 30s division the locals took all firsts to win handily, 43 to 13, while the Indian 20s took the Blimgums to camp, 32 to 15.

The flavor of marjoram is distinctively aromatic with a somewhat bitter undertone.
